Sir,

Sub: Confirmation of 1MW Solar Photovoltaic Power Plant Order

With reference to your quotation and our discussions, we are pleased to confirm the order for setting up of the 1MW solar photovoltaic power plant project under the Jawaharlal Nehru National Solar Mission Scheme at our premises near Ariyalur, Tamil Nadu. As mutually agreed the total cost of the project would be Rs 17.5 Crores.

As an initial advance for confirmation of the order and to process the papers with the concerned authorities we are enclosing a payment of Rs 5,00,000/- (Rupees Five Lakhs) alongwith this order confirmation. The balance advance of Rs 25,00,000/- (Rupees Twenty Five Lakhs) would be paid on 30/06/2010 (Wednesday). The balance project cost would be released in the subsequent stages of the project. We expect the project to be executed and complete by 31/10/2010.

We hope and trust that this project would be an overwhelming success and we will work together in future on such similar projects.

Sincerely,

S. Muthu Raman
